View your exam history and certification status

NOTE: Please allow up to **five business days** from the time of your exam for your exam and certification status to be updated on your CompTIA certification account.

You must first pass both A+ exams to achieve CompTIA A+ certification and receive your certification kit.

To access your certification account, log in at <https://login.comptia.org> and click on the Manage Certifications tab. Your exam(s) are located on the History tab and your certification(s) are listed on the Certifications tab.

To receive your certification kit

CompTIA provides a complimentary printed certificate and wallet card for your new certification. Prior to the mailing of your certification kit, you must verify the spelling of your name and the mailing address on your account.

1. Log into your CompTIA account at <https://login.comptia.org>. Use the password reset option if needed.
2. Click the profile icon with your initials in the upper-right corner of the page and click My Profile from the dropdown.
3. Verify the accuracy of your name. If your name needs to be changed, please submit a help request at <https://help.comptia.org> to have your name updated by a member of our customer service team prior to proceeding further.
4. Click the Verify Address button in the banner at the top of the page, which states "You have a certification kit ready to be mailed. Click here to verify your address."
5. Review your address and make any necessary changes, then click the "Verify Address" button.

Your certification kit will be mailed via USPS first-class mail. Please allow up to eight weeks (often sooner) for your certification kit to be prepared and delivered.

To download a PDF copy of your certificate

You may download a PDF copy of your certificate, which includes a verification code that may be entered at <https://verify.comptia.org> as official verification of your certification status.

1. Log into your CompTIA account at <https://login.comptia.org>. Use the password reset option if needed.
2. Click on the Manage Certification tab, then click on the Go to My Certifications button.

CompTIA Retake Policy

In the event that you fail your first (1st) attempt to pass any CompTIA certification examination, CompTIA does not require any waiting period between the first (1st) and second (2nd) attempt to pass such examination. However, before your third (3rd) attempt or any subsequent attempt to pass such examination, you shall be required to wait for a period of at least fourteen (14) calendar days from the date of your last attempt to pass such examination.

- a. If a Candidate has passed an exam (or multiple exams) and achieved a certification, he/she cannot take the exam again, using the same exam code, without prior consent from CompTIA.

For example:

1. If a candidate has passed an exam (e.g. CompTIA Network+ N10-005) he/she will need to wait until a new series (e.g. N10-006) becomes available before attempting to recertify.
 2. If a candidate has passed multiple exams to achieve a certification (e.g. CompTIA A+ 220-701 & 220-702) he/she will need to wait until a new series (e.g. 220-801 & 220-802) becomes available before attempting to recertify.
- b. CompTIA beta examinations may only be taken one (1) time by each candidate.
 - c. A test found to be in violation of the retake policy will be invalidated and the candidate may be subject to a suspension period. Repeat violators will be permanently banned from participation in the CompTIA Certification Program.
 - d. Candidates must pay the exam price each time they attempt the exam. CompTIA does not offer any free re-tests or discounts on retakes.
